

Burials as of July 1, 2018

In the past cremations were simply marked with an "X" in the Cre column, the exception being "UL" which we believe means Upper Left. By 2016 we were using "H" to indicate Head, "F" to indicate foot, and "CU" indicating ashes of more than one loved one combined into one urn. Location references are as viewed from the road facing the headstones.
